www.hbawc.com

In an effort to promote attendance and provide members of both the WRC and the Associates Council the ability to network with a larger group in a casual setting, **the monthly meetings will be combined starting February 18th.**

This change will provide members with the ability to network with both councils at one time. We have an exciting line-up of sponsors and topics this year. **These meetings will be held the third Wednesday of the month, January – June and September – November beginning at 11:45am.** We will kick off the new format at 11:45 on February 18th. We invite you to join us additionally that evening to hear Nationally know speaker Michael Weiss.

Note: The WRC Board of Directors will remain separate and meet independently at 10:30am.
